

Dorothee [GB]

2019 filly by Equiano (Fr) ex Persario (GB) (Bishop Of Cashel (GB))

This filly's pedigree is as smart as they come, being a full sister to the admirable and multiple Group 1 winning sprinter **The Tin Man**, and a half-sister to another top-class horse in **Deacon Blues**. We know this family well as we also have the three-year-old full sister **Persaria**, who we are hoping will progress into a nice filly this season. Their sire, **Equiano**, was a very fast horse himself as a dual winner of the Kings Stand at Royal Ascot, and he continues to pass his speed on to his progeny, including Group 1 winning sprinter **Belvoir Bay**.

CHARLIE FELLOWES

Charlie Fellowes is a talented young trainer now based at the historic Bedford House Stables in Newmarket, formerly the yard of Luca Cumani, from which many Group 1 and Classic winners have been trained. Charlie trained his first Royal Ascot winner in 2019 with **Thanks Be** in the Sandringham and followed up in the same race in 2020 with **Onassis**, who has also won two Listed races. The yard's globe-trotting flag bearer **Prince of Arran** has won over £2 million in prize money around the world, and has been placed in the last three runnings of the Melbourne Cup.
