

# Plagiarise [GB]

2019 filly by Showcasing (GB) ex Copy-Cat (GB) (Lion Cavern (USA)))

**75% LEASE**

This lovely filly is from a classy family full of black type. Her dam, **Copy-Cat** is out of the talented race mare Imperial Jade, making her a half-sister to the high class sprinter **Averti** who won a Group 3 and was only beaten a head in the Group 1 Nunthorpe, before going on to sire several top-class sprinters. Copy-Cat has now proved to be an excellent broodmare herself, producing 9 winners from 10 runners. Hughie Morrison knows the family well, having trained two of her best progeny; Group 3 winning **Pastoral Player**, and Listed winning **Chil the Kite**, who was 4th in the Group 1 Lockinge. The filly's sire **Showcasing** is a solid stallion going from strength to strength; he has never looked stronger than in 2020 with classy **Mohaather** and the exciting Mill Reef winner **Alkumait**.
